The top picture shows John Mann, pick-up chairman (in the truck) and John Gorvinski, club president, arriving at the Lions Den on South Cedar road with a load of articles contributed by townspeople for the auction and the lower photo shows some of the goods awaiting bids on Friday and Saturday nights of this week. In the lower picture, left to right, are: Frank Kluge, club treasurer; John Skiniotes, Mr. Gorvinski and Mr. Mann. People who would donate items for the auction can still do so by calling Mann or Gorvinski. The carnival is to be held on the grounds at the Den. It is always well attended, drawing people from all parts of the area. (Graphic Photo)

N. Lenox Lions' Festival Set For Friday, Saturday

The annual New Lenox Lions club festival will be held Friday and Saturday nights, July 26 and 27 at the Den grounds on South Cedar road. In case of rain on either of these nights, the festival will go on Sunday afternoon and evening.

The auction and rummage sale which has become the highlight of the event, will be given special emphasis this year. Norman Strassenburg, professional auctioneer, will be auctioning off sofas, chairs, rugs, stoves, various TV and hi-fi sets, many lamps, a sewing machine, and venetian blinds as a few of the standard major items. Can you use a bird cage electric heater, old fashion ice tongs, or an oil heater? These items and many more will go to the highest bidder. The club

Mokena Woman's Cousin On "Sing With Mitch" Show

Mrs. John Balaz, 15 E. 1st st. was viewing the "Sing Along With Mitch" program on T.V. several weeks ago when she thought she recognized a cousin of hers singing in the chorus. She checked his name in the T.V. guide and he was listed as Kenneth Schon of Minneapolis, Minn.

Mrs. Balaz wrote to him, and last week she received a newsy reply telling her of current happenings in the family and recalling many pleasant times spent with Mrs. Balaz. They have not seen one another during the past 40 years.

Mr. Schon sings bass baritone and he has sung with "The Horsemen", "Melody Boys", one season with the Metropolitan opera and is currently singing on the Mitch Miller program.

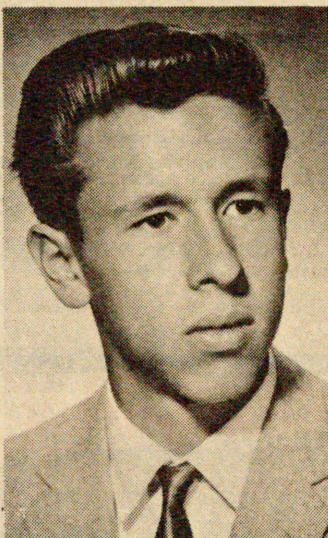

Mokena Man Hits Train

Donald Proper, 25, who lives west of Mokena on Francis road is in Silver Cross hospital as a result of an auto-train collision Tuesday on the Wabash crossing.

The accident occurred about 7:35 a.m. According to the report Proper was traveling west on Francis road and the train, a freight, was going south. The motorist rammed the engine and the car was carried about 50 feet along the right of way before it rolled off. The motor was hurled into a cornfield east of the tracks.

The Wabash is a single track railroad between Chicago and St. Louis and because of that fact the state commerce commission does not order gates to protect crossings but recommends flasher signals. Flashers are installed at the Francis road crossing. Prior to their installation there were several bad accidents at the crossing, including fatalities. The flashers, it was pointed out, are really needed at this crossing because vegetation and crops north and south of Francis road mask the approach of trains until they are almost on the crossing.

Proper was conscious when he arrived at the hospital. State Trooper Richard Warner was investigating the accident.

THOMAS SCHEBER

Orland Youth Student At U.S. Naval Academy

Quite a number of Carl Sandburg high school students who graduated in June are waiting now for the colleges of their choice to open for the fall term but not Thomas Keith Scheber. He is already in school and by the time his former classmates are starting their college careers Thomas should be fairly well oriented. He is at Annapolis and has been there since June 26.

He is the son of Mr. and Mrs. Victor Scheber, 13600 S. Harlem ave., Orland Park, and was appointed to the U.S. Naval Academy by Congressman Edward J. Derwinski (4th Dist.) following a competitive examination.

"Thomas is an outstanding student," Derwinski said, "and has demonstrated the ability and energy necessary to meet the rigid requirements of the naval academy. I am proud to be able to appoint a boy of his caliber to Annapolis."

Thomas had been awarded a state scholarship and also won his way into Northwestern.

School people describe Thomas as intelligent and a good student. That he also possesses determination and patience--qualities useful to an officer in the armed services

Blame Roof Water For Backing Up Sewerage---

Roof water is responsible for causing certain sewer lines at Orland Park to back up into basements. That is the conviction of Village Engineer Mark Lovejoy.

"I feel certain," he declared at the meeting of the village board Monday night, "that roof water is to blame. The heavy rains we have had recently have put too much burden on sewer lines that are intended only to take care of sanitary sewerage and were never intended to also serve as storm sewers."

Lovejoy pointed out that complaints about sewers backing up have come in periods when heavy rains have fallen in the Orland area. The terrain at Orland Park is rolling and when

there are heavy rains water invades some sections with tremendous force. There is always some water that gets into a sanitary sewer system thru manholes and catch basins but Lovejoy feels sure that in the case of Orland Park roof water is to blame.

The state law prohibits the use of sanitary sewer systems to carry off storm water for the very reason that storm water comes so fast that the sewer lines are filled to capacity and since they cannot be emptied speedily enough the water and raw sewerage in the tiles has to go someplace -- so basements catch it, it was explained.

Roof water collects so rapidly it was pointed out, that if the

downspouts are left connected with sanitary sewer drains there is sure to be trouble, engineers say. Downspouts should be left open so roof water is drained into yards, unless a community has a storm sewer system, state water board people say. Some of this water may find its way into the sanitary sewer system, it was said, but not with the volume and rapidity that is the case when the spouts are hooked into the drains.

Complaints have been received at Orland Park from the Methodist church and the Lutheran church that raw sewerage has been coming into their basements and there have been similar complaints by various individuals.

Lovejoy reported to the village board Monday night that he had checked the various sewer lines and the lift station. The lift station pumps were functioning properly and the disposal plant handles about 200,000 gallons of water a day but in recent days, after the downpours, the amount descending on the plant had jumped to 550,000 gallons, Lovejoy said. He added that at the same time the large sewer lines -- the 18-inch lines -- were filled to capacity.

"The only answer, the only explanation," he declared, "is roof water."

When the sewer lines are extended from Orland Center school along 151st street to

where they join the village system the cost will be borne by the Orland Park grade school district, No. 135, and Henry Rafacz, owner of a considerable tract of property in the area that is now being farmed but may become residential at some future date. The village engineer has designed the system and will inspect the work during installation. His fees will be included with the costs of the job and paid over to the village. The village then pays Lovejoy. Thus he wears the village hat.

In response to a request by Fairways Estates Home Improvement Association, voiced by Mrs. Nancy Sims, corresponding secretary, the village will erect signs in that area limiting speed of traffic.

Westhaven Proposes Airport As Attraction For Industry

As a means of attracting industry to the area the village of Westhaven proposes to build an airport, covering approximately 1,200 acres and capable of handling the smaller jets as well as any of the big propeller craft.

The financing would be done thru revenue bonds, according to a representative of the community.

A petition for authority to proceed with the airport has been filed with the Federal Aviation Agency at Kansas City, Mo. A hearing on the project is scheduled for Aug. 2 at Kansas City, according to Westhaven's village attorney, Robert Biederman.

The proposed airport would have two runways, one 6,600 feet in length, and the other a little over 6,000. The area making up the field would lie north of the WLS transmitting towers and east of U.S. 45, according to Biederman.

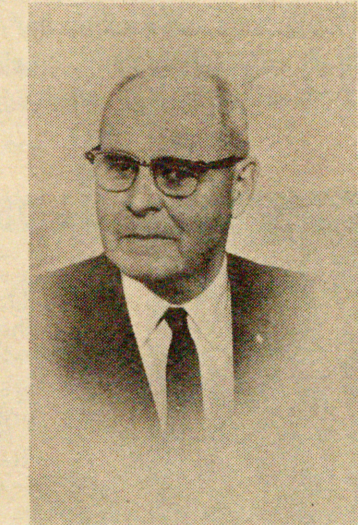

Highway FAI-80 is to run along the north boundary of the radio property. Biederman said the village is proceeding on the theory that the location of the proposed airport, bordered by two national highways and within a short haul of the Rock Island railroad is believed to be certain of attracting industry.

A letter from the Federal Aviation Agency outlining Westhaven's proposal was received by Mokena's mayor, Charles Swanberg, and read at the meeting of the village board last week. The communication from the FAA invited the Mokena village board to either approve or reject the Westhaven proposal.

The general feeling expressed at the board meeting was to the effect that whatever the trustees decided would make little difference in the end but they do plan to discuss it.

Mayor Swanberg appointed Trustee Clarence Zugenbuehler to arrange a meeting to be held prior to Aug. 2 to get the thought of community leaders on the subject. Airline pilots living in the area also will be invited to the meeting. The meeting is for a discussion of the advantages and disadvantages of such a project.

It was believed that the most serious objections to locating an airport at Westhaven was a physical one in the form of the WLS transmitting tower which has a height of some 700 feet.

MR. & MRS. ALFRED EMILEY

Alfred Emileys Observe 50th Anniversary Sunday

Mr. and Mrs. Alfred Emiley, of New Lenox, will celebrate their golden wedding anniversary Sunday, July 28. They will greet their friends at an open house to be given at D'Amico's 214, at Ottawa and Webster streets, Joliet, from 2 to 5 p.m., by their daughters, Mrs. Burten (Marie Alta) Gillette, of New Lenox, and Mrs. Charles (Beulah Louise) Pugh, Sr., of Harvey.

The couple came from Channahon and were married in the Methodist church there on July 27, 1913, with the Rev. Mr. Munroe officiating.

Mrs. Emiley is the former Beulah Jane Peebles, daughter of the late Mr. and Mrs. Charles E. Peebles. Mr. Emiley is the son of the late Mr. and Mrs. Frank Emiley. Both families were pioneer residents of the Channahon area.

Mr. Emiley farmed with his father for many years, moving to New Lenox in March of 1931, and became an insurance broker.

er, operating from his home. He is still in business. When the couple moved to New Lenox Mrs. Emiley took over the Illinois Bell Telephone Co. business office and switchboard there as commission manager.

Mr. Emiley has been an active member of Elwood lodge, No. 919, A.F. & A.M. for many years and served as master in 1922. Mr. and Mrs. Emiley also are members of Elwood chapter, No. 761, Order of the Eastern Star and served as worthy patron and matron in 1932 and again in 1942.

Besides their two daughters they have seven grandchildren, Ronald A. and Paul E. Gillette; Mrs. Karen Gillette Skoien; Mrs. Lynette Gillette Schleeter; Charles E., Jr., Wendel A. Pugh and Penelope Jane Pugh. Another granddaughter, Rebecca Pugh, died in 1942. There are also four great-grandchildren, David Loren, Dennis Eugene and Douglas Wayne Schleeter and Sandra Rose Gillette.

New Lenox Boys Walk 40 Miles To Ball Game

Had they been Cub fans two New Lenox youths would have gotten in a 50-mile hike. As it was they went to Comiskey park, a 40-mile trek, but 40 miles on 'ard, 'ard 'ighways, and keeping clear of trucks and cars still adds up to a lot of walking.

The two walkers, Bob Fitzer and Richard Smithson, both 17, made the trip Sunday, intending to see the White Sox and the Boston Red Sox in a double header. The second game however, was rained out.

To make the trip the two boys started out at 2 o'clock Sunday morning and walked and walked and walked until they finally reached the ball park, 12 hours

after leaving home and half an hour late for the first game. Wearing tennis shoes the boys soon had wet feet and before they finished their journey their feet had swollen and developed blisters. But they wouldn't quit.

When the second game was called off the boys boarded a train for home. They did not walk to the railroad station.

Robert is the son of Mr. and Mrs. Roy Fitzer; Richard's parents are Mr. and Mrs. William Smithson. The families live on E. Francis rd. Both will be seniors at Lincoln-Way in the fall.

Honor Orland Man For Long Service To Firm

Edward Mell, of Orland Park, who has been with the Illinois Bell Telephone Co. for the past 40 years, was presented with a pin denoting the length of service at a recent dinner given in his honor in Surma's restaurant in Homewood.

Presentation of the diamond studded pin was made by Carl Sahlborg, South Division plant manager. Guests included Mrs. Mell, their son and daughter-in-law, Mr. and Mrs. Warren Mell, of Tinley Park, and six supervisory members of the telephone company. The Mells have another son, Paul, but he is in the army and stationed at Ft. Richardson, Alaska, so was unable to attend the affair.

Mr. Mell started with the telephone company at Irving office, North Division, as central office equipment man and later was transferred to Calumet office, Central Division. He has worked in all central offices in South Division since 1924. For the past 20 years he has been a central office foreman, and is presently a part of the Beverly and Pullman

offices.

He has had numerous experiences as a telephone man and one that he remembers quite well resulted in the saving of a woman's life. She had swallowed a quantity of iodine and later went to the telephone to get help. It was almost later than she thought. The woman could make sounds but was unable to form words. The operator who answered the call transferred it to the test desk where Mr. Mell was sitting in. He traced the call and notified police. The officers hurried to the scene and took the woman to the hospital where she recovered.

Mr. Mell has also been active in Boy Scout work at Orland Park and was committee chairman there for eight years. He still participates in the boy scout fund drives. He also served on the Orland Park volunteer fire department for 10 years and a part of that time served the department as treasurer.

His hobbies are bowling, fishing, golfing and travel, plus car and home maintenance.

Woman Dies:
Ill Long Time

Miss Josephine Wieland, 68, late of Frankfort township (1-1/2 miles east of Rt. 45 on Rt. 30), died at her home July 17 after a lingering illness.

She was born in Frankfort township and lived there her entire life. She was the daughter of the late Fred and Mary Wieland, members of pioneer Frankfort-Mokena area families. A brother, Ben, preceded her in death in 1960.

Miss Wieland is survived by a sister, Miss Dora, of Frankfort; and three brothers, George, Fred and Henry, all of Frankfort.

Funeral services were held Friday, July 19 at the Hirsch Memorial chapel, Tinley Park, with the Rev. Theodore Wimmer, of St. John's United Church of Christ, Mokena, officiating. Interment was in the parish cemetery at Mokena.

(CNS) - The Illinois commerce commission has ordered four local railroads to keep open the Englewood Union station at 63rd st.

The railroads were served with the order Wednesday afternoon of last week.

The four lines which operate out of the station are the Rock Island; the New York Central; The Pennsylvania and the Nickel Plate.

The railroad companies filed a petition to close down the station on June 17, 1961. Hearings in the matter were concluded last fall.

In testimony during the hearings the railroads claimed that the station was not being used by enough intra-state passengers, to warrant the continuation of the service.

In denying the railroad's petition, the ICC said it would permit the railroad to refile after a reasonable period of time, but ordered the railroads to repair and renovate the station within the next six month.

REFINANCE
YOUR HOME LOAN HERE!

THE MONTHLY PAYMENT on your home loan should ideally come to no more than 25% of net income. The size of your family and your personal needs make a difference, however, in the amount you can afford to pay. If your monthly payments are taking too big a slice... come see an Archer Hoyne loan specialist. Let him refinance your home, so payments are realistic and compatible with your income.

MR. AND MRS. LAWRENCE F. SURGES, JR.
(Ross Photo)

Kathleen Richards Weds Lawrence F. Surges, Jr.

Wedding vows were exchanged by Miss Kathleen Richards and Lawrence F. Surges, Jr., the afternoon of June 8 at 2 o'clock in St. Jude's Catholic Church, New Lenox.

Rev. Louis Diethelm, O.F.M., officiated at the ceremony uniting the daughter of Mr. and Mrs. Carlos N. Richards, 2202 Francine st., and the son of Mr. and Mrs. Lawrence F. Surges Sr., 741 Prairie Road, New Lenox.

Traditional wedding selections were sung by Arthur Enie, soloist, accompanied at the organ by Mrs. Harry Griffin.

The bride approached the altar at the arm of her father. Her chantilly lace gown was fashioned with a square neckline, long tapered sleeves ended in calla lily poppies and a bouffant skirt featured a chapel train enhanced by self-material at the dropped waistline. Sequins and seed pearls formed the crown that secured nylon illusion veil. She carried a cascade of lilies - of - the valley centered with white gladioli.

Mrs. Anthony Lajcin, sister of the bride, was matron of honor. She wore a royal blue chiffon over taffeta frock fea-

tured a draped cowl neckline and loose pleated streetlength skirt. Accessories were matching draped chiffon. She carried a colonial bouquet of white baby's mums.

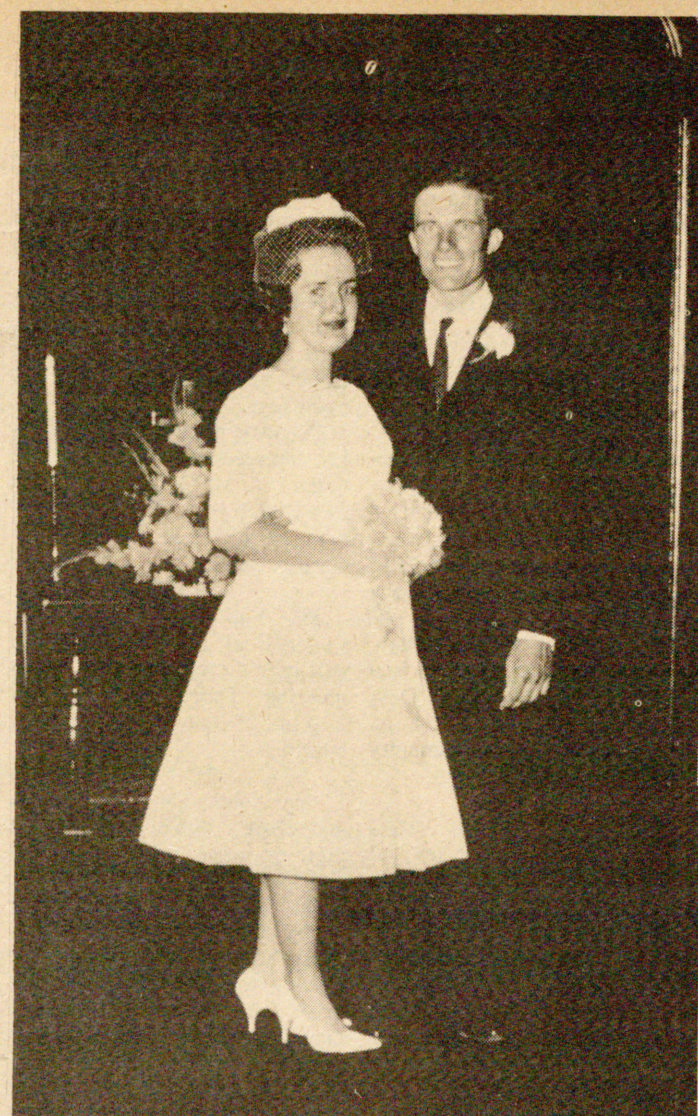

The Bridesmaids, Miss Marty Sharp, Miss Jane Ferguson and Miss Patricia Kozminski were dressed identically with the matron of honor and carried matching bouquets.

Robert Surges, brother of the bridegroom, served as best man. Ushers were William Colgan, Richard Weems and Michael Merfeld.

The bride's mother selected an electric blue silk shantung and chiffon sheath topped by a shantung jacket. Accessories were a red straw hat accented with red silk poppies and a white cymbidium orchid.

The bridegroom's mother chose a mauve pure silk sheath embroidered in sequins and beads, a close fitting pink and white toque and a corsage of white cymbidium orchids.

A reception was held at the Lions Den, New Lenox. Following a two week honeymoon in the Ozarks and points south, the couple are now residing at 121 Woodlawn road, New Lenox.

MR. AND MRS. ROBERT STELLWAGEN

Kovacs-Stellwagen Vows Recited At Marley Church

At 8:30 o'clock, the evening of June 15 in the Marley Baptist Community Church, Miss Joanne Kovacs became the bride of Robert Stellwagen.

The Rev. Ian F. Brown officiated at the candlelight service joining the daughter of Mr. and Mrs. Joseph Kovacs of Lansing, Ill. and the son of Mr. and Mrs. Harwood Stellwagen, Rt. 2, Tinley Park, Ill.

A bouquet of yellow 'mums and gladioli decorated the altar of the church. Appropriate wedding selections were played on the organ by Miss Joan Stellwagen.

Given in marriage by her father, the bride wore a ballerina length gown of white silk organza, enhanced by an alencon bodice with a high rounded neckline and elbow length sleeves. She wore a tiny white circle head-piece with a blusher veil and carried a nosegay of pale yellow carnations.

Maid of honor was the groom's sister, Miss Betty Jean Stellwagen. She was garbed in a gown of mint green silk organza with a matching blusher veil. She carried a nosegay of

yellow carnations.

Arthur Maue attended Mr. Stellwagen as best man and the ushers were Charles L. Lauffer and John Stellwagen, Aaron Kovacs served as junior usher.

A reception followed in the Fellowship hall of the church. Mrs. Kovacs, the bride's mother, greeted guests wearing a beige gown with matching accessories, while Mrs. Stellwagen, mother of the bridegroom, was attired in a blue sheath with matching accessories. Both wore corsages of red roses.

The newlyweds are residing in Cicero for the summer while the groom is employed at the Argonne Laboratories. In September they will go to Berkeley, Calif., to study at the University of California where Mr. Stellwagen has a Fellowship grant in bio-chemistry. He was graduated summa cum laude from Harvard university in June. The bride, who has been attending Illinois State Normal university, will be enrolled as a senior student this fall at the University of California.

New Lenox Schools To Operate 5 Buildings

When the school bells ring Sept. 3, five attendance centers will open their doors to about 1,285 pupils of the New Lenox school district #122.

Oakview School will have approximately 732 pupils, Haven School will have approximately 270 pupils. Approximately 150 pupils are scheduled to attend Cherry Hill, 120 pupils at Schmuhl and 13 pupils are expected to attend Reiter.

A staff of forty five faculty members including classroom teachers and special teachers will conduct the instructional program for the pupils attending the five attendance centers of School District #122.

Custodians are busy working at the five attendance centers doing cleaning, painting, remodeling, repairs, and care of

the grounds in order to have the schools ready for occupancy this fall.

The administration has been occupied in purchasing equipment and supplies, planning programs, organizing classes and class schedules, preparing reports that are necessary in closing out the school year and opening of the new school year.

The central office, located at the Oakview school, is open from 8:30 a.m. to 4:00 p.m. Monday thru Friday thruout the summer.

Families new in the New Lenox school district who have children eligible to attend school should register these children as soon as possible at the Oakview school office, 809 North Cedar road, New Lenox.

Frankfort**Takes Poll On Water Treatment**

Frankfort's village board would like to know if residents find the water is improved or not improved. For several months now the village has been using a chemical in the water that is supposed to hold the iron in the water in suspension so it does not leave rust deposits on plumbing fixtures and laundry. The test period is up Aug. 1.

Whether the board will continue to continue with the process will depend upon the reaction it gets from the public. The cost of the chemical, it was pointed out, will run approximately \$1 a day, which, it was pointed out, is not much to get away from rusty water.

Persons are asked to call Village Clerk Walter Pfaff at the village hall or any of the members of the water committee and express an opinion. This must be done prior to Aug. 1, however. Members of the water committee are, John Topp, Daniel Hecht and Milton Subbert. The village hall number is 469-5593.

South Side**Shrine Club****Raising Fund**

At the time lists are being compiled at Orland Park for the groups of children to attend the Shrine circus each year many people call up and wish to know if there are any costs or if they can donate. The answer has always been that there are no charges particularly in connection with the procurement of the tickets. These tickets are always donated by the members of the South Side Shrine Club of which Mayor Schussler and Frank Guetter are members.

Now, however, if any of these people would like to help the club you can do it and spend an enjoyable evening at the same time, it was stated by a club spokesman.

The South Shrine club has a fund raising project which entails a night at the Washington Park harness races on Sept. 13 which includes a "chuckwagon" dinner between 6 and 8 p.m. for the sum of \$2.50. This includes a reserved seat in the Club house and dinner.

Frank Guetter has the tickets at Orland Park.

Large Crowd Expected At South Cook 4-H Fair

Thousands of persons are expected to flock to the 17th Annual South Cook 4-H Fair which will be held at Fred A. Francis 4-H Field in New Lenox, Aug. 3.

During the Fair, project exhibits representing months of work will be displayed and judged. Other program features are: 9 a.m. - judging exhibits; 1 p.m. - judging of dairy exhibits; 2 p.m. - horsemanship; 3 p.m. - skilled driver contest; 4 p.m. - judging dog care and handling; 7 p.m. - entertainment by 4-H members; 7:30 p.m. - awarding of trophies to grand champion winners; 7:45 p.m. - crowning of king and queen; 8 p.m. - auction - 4-H products, food, and other merchandise.

A large variety of new merchandise and farm produce will be auctioned off at the close of the evening program. Proceeds help to maintain and ex-

pand 4-H activities. Visitors are welcome at the 1963 4-H Fair.

The Fair is sponsored by the South Cook 4-H Fair Association with the following committees: Food - Erwin Engelhardt, chairman, Mrs. Norman Strassenburg, Mrs. Raymond Bernard, Mrs. Henry Andersen, Melvin Hoyer; parking - George Kloss; publicity - Ty Thompson, chairman, William Whiteside, Frank Sanders; entertainment - Robert Hood, chairman, Ty Thompson, William Whiteside, L. A. More Than 7 Inches Of Rain Breaks Dry Spell

Spring was pretty much on the dry side, as springs go, and June -- usually a wet month -- was also dry and many wondered if a drought was to highlight the summer of 1963. July is usually a very dry month and little rain falls in these latitudes, as a general rule.

June failed to live up to its reputation this year. In fact it was quite dry but July has surprised. There was no rain the first two weeks of July. There had been a shower of sorts on June 27 but fields and lawns were parched and one had to go deep to find moisture in the subsoil.

Since Friday, July 12, however, the ground has had a good soaking. A rain gauge on the farm of Loren Sass on 167th st. in Homer township indicated that the rainfall there for the period from July 12 thru July 21 was in excess of seven inches which is substantially above the average rainfall for the entire month of July.

The rainfall was needed altho so much in such a short period has kept farmers out of the fields and those with wheat standing would like to finish combining that crop. A lot of weeds are pushing up thru the grain. And hail last Friday night in some sections didn't help the situation.

Some wind damage has been reported around the area and

Hold Funeral**On July 22 For****C. B. Kohler**

Christel B. Kohler, 69, of 2401 Mayfair Dr., Cherry Hill died Saturday, July 20 at his home following a brief illness. He was a retired building contractor who constructed many homes in the northeastern part of Will county and in the Orland area.

A veteran of World War I, he was a member of American Legion Post 526, Orland Park. Surviving are his wife, Jayne two sisters, Mrs. George (Delia) Steinhagen and Mrs. Walter (Louise) Kramer, both of Orland Park; a brother, Charles, of Chicago and several nieces and nephews.

Services were held Monday, July 22 at 2 p.m. at the Blood and Grant funeral home, 112 Richards st., Joliet with Rev. Adolph Lach, pastor of Christ Evangelical Lutheran church, Orland Park, officiating. Burial in Brooks Cemetery, Homer township.

"The high percentage of returns is remarkable in view of the fact that sending in the fee is entirely voluntary," Lorenz said.

Delinquent Water Users Face Shut-off At Mokena

Mokena water users who are delinquent in payment of the bills could find themselves in the middle of a hot spell of weather and no water, it was decided at the meeting of the village board last week.

The board decided that a certified letter (the kind that the board knows has been delivered because of a return receipt) shall be sent to each of the delinquents, giving notice that if they have not paid within 10 days the water will be shut off and kept off until payment has been received. It is possible, it was pointed out, a shut-off could come in the midst of hot weather.

It costs \$2.50 to turn the water on again.

At the meeting the law firm of Galowich & Galowich, Joliet, has been named as legal adviser

ers to the village for the current fiscal year. Durward Fant was re-appointed village treasurer for a two-year term and the Mokena State bank was named as official depository for the village.

The state sanitary water board recommended that the village send I. C. White to a school this fall where a course will be offered in the operation of sewage disposal plants.

It was also brought out that White had written a letter to the board appraising it of the fact that a recent operation to repair damage to his left knee is the result of an injury at the sewage disposal plant last Nov. 14. The village

Mrs. Donald Osmus and Mrs. Michael Paslaski have returned home from Murray, Ky. where they visited with their aunt, Mrs. Bury Cochran.

HOMER NEWS

BY ELIZABETH ANDERSON

BY ELIZABETH ANDERSON

Wednesday, Aug. 7, at 9 o'clock is the time of the book sale at Homer 33-C school. New school books and work books will be available.

The Missionary Society of Homer Church is holding its annual picnic dinner at the church today (Thursday). Hostesses are Mrs. Henry Rodgers and Mrs. George Burcham, who is acting for Mrs. Edna Mergler. Mrs. Mergler left this week for a visit with her daughter, Mrs. Verna Ault, in Kansas City.

During the recent Homer Church vacation Sundays, several people from here visited other churches in the surrounding area. Among those visited were Lemont Methodist, Lockport Congregational, Joliet's First Presbyterian, First Assembly of God on Rte. 7, and Marley Community Church.

Larry White was hospitalized for an appendectomy during the past week. He and his wife are building a new home on E. Seventh St. east of the M.J. Canadays. They will move into the trailer home at the Robert Burch place to live until their home is ready for occupancy.

Charles Jungles made a business trip to Rock Island on Thursday.

Robert Burch went to Moline on business the same day.

A family gathering was held in the George Burcham home on Wednesday in honor of the twin birthdays of Mrs. Burcham and Mrs. Amos Conrad, who lives in Chicago.

Tracy White of Lockport, brother of Wrey White of here, and a former Homer resident, is hospitalized with a heart attack.

The Pilgrim Fellowship group of Homer Church held their bi-monthly meeting at the church Friday evening, July 19. This group of about 25 young people meet on alternate Fri-

days for a worship service, games and sociability. They are sponsored by Rev. and Mrs. Cox.

The King's Daughters will meet at Homer church on Thursday, Aug. 1 at 1 o'clock. There will be refreshments, a devotional period and a business session, during which ways of finance for the coming season will be discussed, also plans for celebrating the 60th anniversary of the circle's organization.

Many Homer 4-H members will be attending the County 4-H Show at Francis Field on July 30, 31 and Aug. 1.

The Theodore Grimm family and Mrs. Lois Swanson spent last Saturday at Starved Rock in celebration of Mrs. Swanson's birthday.

The Ray Carlsons vacationed at Tower Hill, Mich., last Friday.

Callers in the home of Mrs. Ira Anderson last Sunday were Mrs. E.A. Cary and Mrs. Mary Kronmiller of Joliet, also Mr. and Mrs. Joe Vancil and Jane of Downers Grove.

Warren White was treated at Silver Cross hospital recently for damage to his ear which he incurred while waterskiing.

Charles Ingram, son of Mr. and Mrs. Charles Ingram Sr. of Bruce Rd., has joined the U.S. Air Force. He expects to finish his high school course at his base.

The coming marriage of Miss Louise Wawczak of Lockport to Warren J. Schuessler, son of the Jack Schuesslers of here, is being announced by her mother, Mrs. Anna Wawczak. It will take place on Saturday, Aug. 3, at 1 o'clock ceremony in the Palos Park Presbyterian Church.

All relatives and friends are invited to attend both the wedding and the reception which will be held at 7:30 that evening at Goodings Grove Hall, 143rd and Bell Rd.

Both young people are graduates of Lockport High; Miss Wawczak is presently employed at the First National Bank of Joliet and the future groom is connected with the Warren Turf Nursery of Palos Park.

Mr. and Mrs. LaVerne Braun and family, and Miss Sharman Schroeder are enjoying a vacation in Jackson, Mich., with Mrs. Osmus parents, Mr. and Mrs. Ray Osmus and other relatives.

Mr. and Mrs. George Smith, and Mr. and Mrs. William Palmer and children have returned home from Rhinelander, Wis., where they enjoyed a week's vacation in a cottage on the lake there.

Mr. and Mrs. Leonard Warning and family spent the weekend last week at White Pine State Park, near Oregon, Ill.

The New Lenox Bluebirds met Saturday, July 13 at the Methodist church. Robin Facinelli called the meeting to order. There were 19 members present and Mary Beth O'Neill was a guest. Leslie Hauck gave a report on Day Camp held June 19th. Manette Messenger gave a report on the first day at Camp Shaw-waw-nas-see. Robin Facinelli, Cathy and Barbara Vondrasek and Sherry Jencen served refreshments.

Mr. and Mrs. Max Ehrlich, Sr. 715 Ogden rd., announce the birth of a new grand-daughter Marleen Marie, 6 lbs. 2 oz. on June 27. Her parents, Mr. and Mrs. Paul M. Ehrlich, reside in Port Washington, Wis. They have two other daughters, Michelle, 4 years and Maria, 2 years old.

The New Lenox unit of Homemakers Extension, will hold its regular meeting Friday, July 26 at one o'clock in the exposition building at Francis field. Hostesses will be Mrs. William Stoner and Mrs. Louis McCann. The 4-H girls of the various local clubs will show their achievements for the past year and all mothers are invited to attend.

Harvey J. Frick retired from the insurance and real estate business, July 1. His son-in-law Evans Drotts has taken over the business and will continue it.

The Fricks have sold their home to Mrs. Anna Crisman and have moved to Lake Hancock, Harshaw, Wis.

The regular monthly meeting of the New Lenox Riding Club was held Sunday, July 14 at 6:30 p.m. at the 4-H grounds. Beef burgers were served by the refreshment committee. Mr. and Mrs. Glenn Renley were chairmen of the committee. Assisting them were Mr.

Palos Hills Council Splits On Police Chief

(CNS) - After a conference with Sheriff Richard B. Ogilvie, Palos Hills Mayor John Jager agreed to reinstate the 22-man police force suspended Tuesday, of last week, following a dispute between Jager and the Palos Hills council.

The fight began when Jager appointed James Curtis to replace G. Delbert Pearce, the

suburb's chief since 1958. The council refused to recognize the appointment by a vote of 4-2. When Pearce refused to turn over his office to Curtis, Jager suspended the entire 22-man force and asked the sheriff's office to take over all police work for the suburb.

According to Ogilvie, the question of who is to be chief, will have to be settled in the courts.

Besides Jager, Richard Furry, city attorney and Ald. James Wilkinson attended the meeting with Ogilvie.

Sign-Up For Soil Work To Begin Aug. 1

A new sign-up period for farmers desiring to carry out approved soil conservation practices under the Agricultural Conservation Program begins August 1, according to the information from Carl M. Bormet, Chairman of the local ASC committee. August 1 is the first date by which sign-up is permitted for limestone and rock phosphate to be used during the last five months of the year. All materials must be applied according to soil test and must be used in connection with soil improving grass and legumes.

Other important practices that are available include, tree planting, sod waterways, tile outlets, cover for wildlife, drainage ditches, farm and/or fish ponds. The Soil Conservation Service is cooperating in furnishing technical services on certain of these practices. All requests for cost-sharing assistance under the program must be filed at the county office located at 1424 S. Ravina, Orland Park, Illinois. A request must be on file before a practice is started. Farmers interested in practices involving limestone or other materials should bring along their soil tests.

and Mrs. W. Nieten, Joan Biskie, Paul Green, Kathy Haywood and the West family.

There was a short business meeting following the refreshments. A work night was called after the meeting. Everyone pitched in to get the grounds ready for the benefit show to be held Saturday, July 20 and Sunday, July 21.

The next meeting of the club will be Sunday, Aug. 18. Chairman in charge of refreshments will be Emil and Verna Groth.

WILLIAM F. WHITESIDE
COOK COUNTY
FARM ADVISER
TINLEY PARK 532-4369

Any one interested in the atmosphere of a County Fair will have plenty of opportunity to participate during the last week of July. The Will County 4-H Fair will be held July 30, 31, and Aug. 1. The South Cook 4-H Fair will be held Saturday, Aug. 3. Both these events will be held at the Fred A. Francis 4-H Field near New Lenox. Visitors to either of these events can see 4-H exhibits ranging from beef to bees. There will also be entertainment, awarding of trophies, and an auction of some of the produce and products developed by 4-H members in their project work. The public is invited to attend these two events.

I received a number of questions this week concerning chinch bugs. This is about the time that these insects will be moving from small grains to corn. The infestation in this area does not appear to be very heavy. However, if marginal rows of corn are being damaged by chinch bugs, apply dieldrin at 1/2 lb. per acre as a barrier two to three rods wide into the grain field and as far into the corn field. Do not harvest the treated grain until one week after treatment. Also, do not draw conclusions about the effectiveness of dieldrin until three or four days after treatment.

The grasshoppers continue to hatch in grass on the yield fields and in fence borders and ditch banks. As long as there

is sufficient food, they will remain in these areas. Once the food supply becomes depleted, they will migrate in search of food. These insects can be killed in the areas that will not be grazed or used for hay, such as fence rows, ditch banks, roadsides, diverted acres, etc. by using 1/8 lb. of dieldrin or 1-1/2 lbs. of toxaphene. If they move into field crops or vegetable crops, then you had better check carefully with your chemical dealer or with this office for a suitable control measure.

Homeowners will soon be pestered by picnic beetles. These beetles are about 1/4 inch long, shiny black, and have four yellow spots on their back. They are attracted to the odor of food. They get into the food at picnics and cookouts. They swarm into overripe or injured fruits and vegetables and in gardens. Keep gardens free of overripe and rotting fruits. Preventing injury from other insects will help reduce the numbers of picnic beetles on vegetable and fruit farms. Sprays of seven diazinon or malathion help to control them, but it may be necessary to make repeated applications as beetles migrate

into the area. A 1/10 per cent pyrethrin spray can be used at picnics or cookouts as a quick knock-down spray.

Net farm income in 1963 in the midwest will probably be below the year earlier level. This is indicated by lower cash receipts from farm marketing and a further rise in expense. The marketings of stock and livestock products during the remainder of 1963 are expected to be at record volume, but both cattle and hog prices though improving from the first half of this year, are expected to average below the levels of summer and early fall of 1962. Volumes of crop sales could be boosted during the second half of 1963 because of less acreage being retired in governmental programs. However, the extensive period of dry weather may have reduced yields per acre enough to offset any increase from larger acreage.

The President of the United States has proclaimed the week of July 21 to 27 as National Farm Safety Week. The theme for this year is "Inspection Plus Correction Equal Protection". Let us all celebrate Farm Safety Week by exercising care in our daily work and eliminating unnecessary hazards. In this way we can reduce the heavy toll of lives, the suffering and the expense caused by needless accidents.

Sanitary District Names Anderson Chief Engineer

The board of trustees of the Sanitary District today unanimously appointed Norval E. Anderson, 65, chief engineer of the district.

A veteran of 40 years in the district's engineering depart-

ment, Anderson will receive \$27,000 a year.

He succeeds Burton A. Scheidt, 62, who retired from the district's top engineering post on July 12 because of failing health. Scheidt, who had been with the district 38 years, had been chief engineer from April 9, 1959.

Since April 1, 1963, Anderson, of 618 S. Catherine Avenue, La-Grange, has been acting chief engineer. His salary was \$16,058.

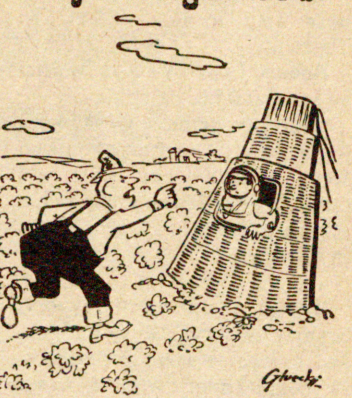

The board of trustees voted to make Anderson's new salary retroactive to April 1, when he was named Acting Chief Engineer.

The board lauded Anderson's appointment, as did Supt. Vinton W. Bacon.

Col. Frank W. Chesrow, president, acclaimed Anderson "an outstanding engineer and administrator, dedicated to public service."

Anderson earned his civil engineering degree in 1920 from the University of Illinois. He is a registered professional engineer and a diplomate of the American Academy of Sanitary Engineers.

Hints For Homeowners

BY: JAMES FIZZELL
ASSOC. FARM ADVISER

Wick-watering may help your house plants fend for themselves when you're away on vacation this summer - if you can't get someone to water them in your absence. We suggest setting up the wick-watering system several weeks before you plan to leave, just to be sure it works. Here's how to do it:

First water all plants thoroughly. Submerge the pots up to the rims in tepid water for 15 to 20 minutes, and syringe all foliage except the hairy-leaved types. Then set all pots around a large container of water. The container should be level with or preferably higher than the pots. Or you can use several individual quart bottles of water. Do not use water that has gone through a home-type water softener.

To convey the water from the container to the plants, use lengths of cotton wicking or clothesline (with sizing removed). Cover the middle section of each wick strip with aluminum foil to prevent excessive evaporation. Insert one end of the strip in the water and the other end in the soil of each pot. A two-week supply is about one quart of water for two six-inch pots.

Putting each plant into a polyethylene bag will also help to conserve soil moisture while

you are away. Don't completely seal the bags - allow for some air movement. Keep the bagged plants in bright light, never in direct sunlight.

While you are making preparation to leave for your vacation, plan to put your yard in good shape. An unkempt yard is a sure sign that the tenants of the home are away and can be an invitation to vandals or prowlers.

Mow and edge your lawn just before you leave. If you plan to be gone more than just a few days have a neighbor mow while you are away. More than likely one of the neighborhood youngsters would be happy to pick up some spare money this way.

Weed the borders and garden. A mulch will help keep weeds down for two weeks or more. Pick off any old and any blooming flowers, and any ripe fruit in the garden. Here again, neighbors will usually be more than willing to keep the flowers and fruit picked while you are gone.

As an added protection have your newspapers and mail delivery stopped and arrange to have lights in the house turned on and off during evening hours. A simple timer can be purchased to do this job.

With these preparations you can leave on your vacation, free from worry and sure that your home and your plantings too will be safe and secure until you return.

Business & Finance

BY MAURICE P. ANGLAND

The racial strife has been pushed off the top headline position on financial pages, by the raising of the Federal Reserve discount rate on member bank borrowings. Usually, this has the effect of tightening credit and increasing interest rates generally.

Banks may now increase interest paid on time deposits of 90 days to a year, up to 4 per cent level. Analysts point out that there are presently no indications banks will use their right to increase time deposit interest rates. If they did do so, time deposits would be in competition with long term government bonds and stock yields.

The inability of unions and railroads to agree on their differences as to the feather-bedding matter, has had an unsettling effect on the market.

Next we have the proposal of the government to put a 15 per cent tax on investments in foreign countries. This proposal has aroused considerable opposition and there is an informed opinion that proposal will not be enacted. Reprisals could be expected and especially from Canada as they would feel such a tax keenly. Our investments in that country's growth. There are already numerous schemes to avoid the tax. Canadian interests have tentative plans to create a stock exchange in Canada and for the purpose of allowing Americans to deal between themselves on such an exchange, but on Canadian territory. More of the same can be expected. Foreign stocks on our domestic exchange, were

depressed.

The preoccupation of congress with the racial and integration legislations, did not permit much consideration of a tax cut. The Administration expresses itself as desiring a tax cut this year and is reported to be applying pressure to secure it. However, the racial troubles have slowed down congressional interest. Some cynical observers express ideas that some congressmen may feel there is a political advantage in a tax cut closer to election date.

As was the situation early this year, some of the financial writers appearing in daily newspapers, are not at all enthusiastic about the economic situation and predict difficulties. Some of them seem to copy the material of others in their particular group. Most writers on any subject, do a fair amount of copying of other writers on the subject, but not as to the whole picture.

We have tried to scan what we believe to be the best of the available literature and we are still impressed with the logic and results of the predictions of Fortune magazine in the January issue, as to their belief that we will experience a substantial gain in capital goods. This magazine continued to substantiate their predictions with current analysis of industry figures. The Bache & Co. six months review just out, notes substantial gains to be expected in capital goods. The authors of this review express belief that common stocks do not appear to be fully reflecting the improvement in the economic picture and notes that most stocks in the secondary and glamor group of old, are far from their former peaks.

The review notes that demand for goods in many areas is improving as is shown by the firm price structures for key raw materials such as copper, steel, paper and aluminum.

Three Out Of Four In Agriculture Not Farmers

BY ROBERT VAN RHEEDEN

(Vo-Ag. Instructor at L-W)

Think of what you had for breakfast -- maybe it was bacon and eggs with toast and jelly; or, perhaps cereal, milk and orange juice.

Certainly farmers produced the food, but they have lots of help in agriculture.

About one in every 10 of the nation's working force supplies farmers with the raw materials and tools of production - seeds, plants, feeds, machinery, fertilizer, other materials and services.

More than one of every six people employed in the United States work in marketing, processing and distributing agricultural products.

In Illinois, one of every three workers is employed in agriculturally - oriented industries. For many jobs in these industries, agricultural background

and knowledge is useful or essential.

The vocational agricultural program at Lincoln-Way high school provides training, agricultural background and experience for youth going into off-farm agricultural occupations, as well as for those preparing to farm.

The student's supervised farming program on the home farm is stressed to give the proper background of farming experiences. Students gain an understanding of applied science through scientific principles used in plant and animal production. Students also learn of the opportunities in the broad field of agriculture, what is expected of employees in the agriculture-oriented businesses, and what training is necessary.

Archer Hoyne Savings Reports Large Earnings

Of the more than 140 savings and loan associations serving the greater metropolitan area of Chicago, none is more active nor more progressive than Archer Hoyne Federal Savings and Loan Association, 3521 Archer Avenue, a savings and home financing institution serving the people of Chicago -

Orland Park and its surrounding suburban neighbors, its officers declare.

"We encourage more than just thrift itself," explained Mr. Henry J. Wolske, chairman of the board and managing officer of the institution. "We believe thrift should be profitable for the saver and we pay generous, competitive earnings twice a

year to those persons who have savings accounts with us. On June 30, for instance, we paid out a total of more than \$287,000 in semi-annual earnings to our savings members." Mr. Wolske explained that this was the largest earnings payment in the entire 52-year history of the association and Archer Hoyne Federal Savings is expected to pay an even larger amount on Dec. 31, of this year, even in the face of widespread reduction of rates by many savings institutions thru out the area. At the present time, this association has more than 8600 sav-

ings and borrowing members and has total resources of more than \$16,340,000.

"Even the popular FHA-insured loans have taken a back seat to the more progressive and modern conventional loan," he said, "because this type of home financing contains benefits not found in the other two types of mortgages. One of these benefits, for instance, is the open end provision which allows the borrower to reborrow later

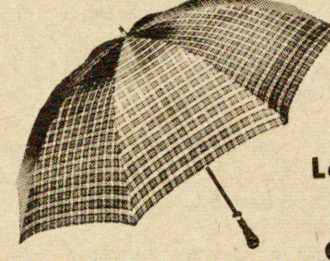

on the same mortgage, up to 90% of his equity, for almost any reason. He may use the funds to send a son to college, to modernize his home or to buy a new car and he doesn't incur the expense of drawing up a new mortgage to get the fund. Another benefit is the Prepayment Privilege which allows the borrower to pay ahead on his loan, save on total interest costs, and make no penalty payments to the association for his saving."

July 18, 1963**Arbury Hills****Kindergarten Group
Hires Teacher For Fall**MRS. EDWARD HOVI
479-5740The Arbury Hills Kinder-
garten Organization held its regular
monthly membership meeting
at the school on Tuesday
evening, July 16. It was a short
business meeting, followed by
the serving of refreshments by
Mrs. Jeramee Carlson, who
acted as hostess for this month.A teacher has been obtained
for the fall session of kinder-
garten. The position has been
offered to Mrs. Richard of Chi-
cago Heights, who had been
chosen from all those who were
interviewed.There are, at present, 21
paid-up applicants accepted for
admittance to the kindergarten
class in the fall. There are two
additional applicants expected
to be paid-up prior to this pub-
lication date. This leaves only
two conditional applications
open for the fall session.When these last two con-
ditional openings are filled a
waiting list is the only other
alternative, since the kinder-
garten organization is only al-
lowed to enroll a maximum of
twenty-five pupils, including the
conditional openings.To be eligible for application
to enter the fall session of
kindergarten, a child must be
a resident of the school district,
and have attained the age of
five years by Dec. 1, 1963.There is also a registration
fee of \$10 required. The fee
is to be paid in two install-
ments of \$5 each. The first
payment is now due and pay-
able to Mrs. Mary Mundt of
19537 South Beechnut Drive.
The second installment will be due
prior to the opening of the sec-
ond semester of school at the
beginning of 1964.A kindergarten tuition fee of
\$13 per month will also be
charged. Since the kinder-
garten organization is a "not for
profit" organization licensed by
the state of Illinois, any tuition
money remaining at the end of
the year, after all running ex-
penses have been paid, will berebated to the parents of the
attending pupils of the kinder-
garten class.The state also requires all
children entering kindergarten
to undergo a thorough medical
and dental check-up prior to
starting class. The necessary
forms will be given to all accept-
ed applicants.The summer session of
kindergarten, held at the school,
is rapidly approaching its con-
clusion with just one more full
week of classes remaining. The
summer session will be com-
pleted on Friday, August 2.
The summer session has been
ably handled by its teacher,
Mrs. Howard from Joliet.The summer session of kin-
dergarten is being held in one
of the two first grade class
rooms. Present indications are
that the fall session of kinder-
garten will also be held in the
same class room with the first
grade being housed elsewhere
in the school building, unless
there is an unforeseen change
in plans.The kindergarten organi-
zation has decided to purchase
a large size coffee maker to be
used at their meetings when
refreshments are being served.
Up to this time the organi-
zation has been borrowing a cof-
fee maker from one of its mem-
bers.The member scheduled to act
as hostess for the August
general membership meeting is
Mrs. Bill Wilson, who will
be responsible for providing
and serving the refreshments.
It is also being announced
that all membership dues are
to become payable by the next
meeting, to be held at the school
on Tuesday evening, Aug. 20, at
8:00 p.m., in order to be a
voting member.The Bingo club held its July
meeting at the home of Mrs.
Louise Hendrickson of 19502
South Catulpa on last Thursday
evening, July 18. There was
a short business meeting held
to establish a maximum regular
membership list and a monthly
dues to be collected for the pur-
pose of a yearly outing of the
group.Rules were also devised per-
taining to the necessary atten-
dance in order to remain a mem-
ber in good standing in the
group. Membership was set
at a maximum of twelve, which
is its present number.A new meeting date was also
set up so that there would be
less interference with other ac-
tivities of the members of the
group. The new meeting date
will be the second Tuesday of
each month. The time of the
meetings will remain the same,
at 8 p.m.Mrs. Alan Dornseif brought a
guest, her mother-in-law, to the
meeting. Mrs. Dornseif is visit-
ing here from her home in Pal-
metto, Fla.The hostesses prize for the
evening was won by Mrs. Alan

will take place at the home of
Mrs. Elinor Scott of 9512 West
Birch ave. on Tuesday evening,
Aug. 13.The Summit Hill Boy Scout
Troop Number 10, under theirscoutmaster, Dan Markowski,
will NOT have its regular
monthly newspaper pick-up next
Saturday, Aug. 3. The troop
will be on their summer week-
long camp out and will not have
returned.The monthly newspaper pick-
up will be held on the fol-
lowing Saturday, Aug. 10.Anyone wishing to contribute
towards this drive should have
their donations of newspapers,
cardboard, magazines, and
other easily transportable
papers bundled in some manner.
The bundles should be placed
either at the garage door or at
the front door, not at the curb;
since it would then interfere with
the garbage collections also
scheduled for Saturday. The
donations should be put out be-
fore 9 a.m.The proceeds from these
paper drives each month have
been used by the troop to
purchase the equipment nec-
essary for both the running of
the troop and camping equip-
ment.The Arbury Hills Baby Sit-
ters Cooperative had their
secretary's book change hands
from Mrs. Donald Munday to
Mrs. William O'Neill last week.
Mrs. O'Neill will act as secre-
tary for the coming month.Any member who needs a
baby sitter should contact Mrs.
O'Neill at least 24 hours in ad-
vance of the date needed.In addition, any woman of Ar-
bury Hills who would be
interested in joining the group,
should also contact Mrs. O'Neill
for further information.The next one on the schedule
to act as secretary is Mrs.
George Peterson, who will re-
ceive the book on Wednesday,
Aug. 18.The First Nighters held their
delayed July meeting last
Thursday evening at the home of
